No rush! I'm still sitting on the transcripts for Penn State while I work on the options paper for the scoping study. Very true about the [REDACTED] report, did Chance send you the photo of all of us at [REDACTED]

Hi Chris, thank you. I am sitting on too many of these, now. Tomorrow morning, I will take some time to pass a couple on to Nicole. Tomorrow [REDACTED] and Sprinturf, and then, on Wednesday, FieldTurf and [REDACTED] so we move those, too. We may want to follow-up on the [REDACTED] report, but I don't think there is urgency with that, let me think about it on Wednesday when I take on [REDACTED] notes. As I remember, [REDACTED] was saying that the report may be published soon, and if it is, we could just get it publically, and he would not need to ask whether he can share it with us for an early preview.

Hi Ksenija,

Here are my notes for the [REDACTED] Facility. I also noted that Chance had offered to send us a copy of the [REDACTED] report on states and their scrap tire programs. Did we also want to ask [REDACTED] about the [REDACTED] report on tire crumb using [REDACTED] that he mentioned?

Best,
Chris
